Mike,

The first reading of the ordinance of intention to renew (2012-2021) the Westchester Town

Center Business Improvement District (CF-11-0982) is scheduled to be in Council on Tuesday, June 21, 2011, Item # 19 . This item was heard in the Jobs and Business Development Committee on Tuesday (6/14/11) and was recommended to be adopted by the full Council.

I respectfully request that Councilmember Rosendahl please ask the Council President to have the Westchester Town Center Business Improvement District ordinance of intention for renewal called "FORTHWITH" if the ordinance is adopted.

In order to meet the legal requirements for mailing out the Prop 218 ballots, public hearing notices and other election materials to all affected stakeholders in the BID and complete the re-establishment process in a timely manner it is necessary to have the Ordinance of Intention adopted 'FORTHWITH' to expedite it to the Mayor for signature and returned to our office.

Please let me know if you need further information or have any questions or concerns.

Thank you very much.
